

SUPER BRUSH SAVES THE DAY!

Meet Super Brush!

In a bright and cozy bathroom, filled with colorful tiles and a shiny bathtub, lived a truly magnificent hero—Super Brush!

A large, smiling toothbrush with a red superhero cape and cool blue mask, he kept the bathroom sparkling clean with his trusty friends.

“Swoooosh!” He flew through the air, ready to protect every tooth!

Trouble in the Kitchen

But not all was calm!

In the kitchen, tiny, mischievous Sugar Monsters—little candy-shaped troublemakers—snuck around a bowl full of bright candies.

Their eyes gleamed with sugary delight!

“Mwahaha!” they giggled, ready to cause sweet chaos!

Tilly

Let's make the Sugar Monsters slippery with peppermint! cried Tilly the Tooth.

Timmy, squeeze!

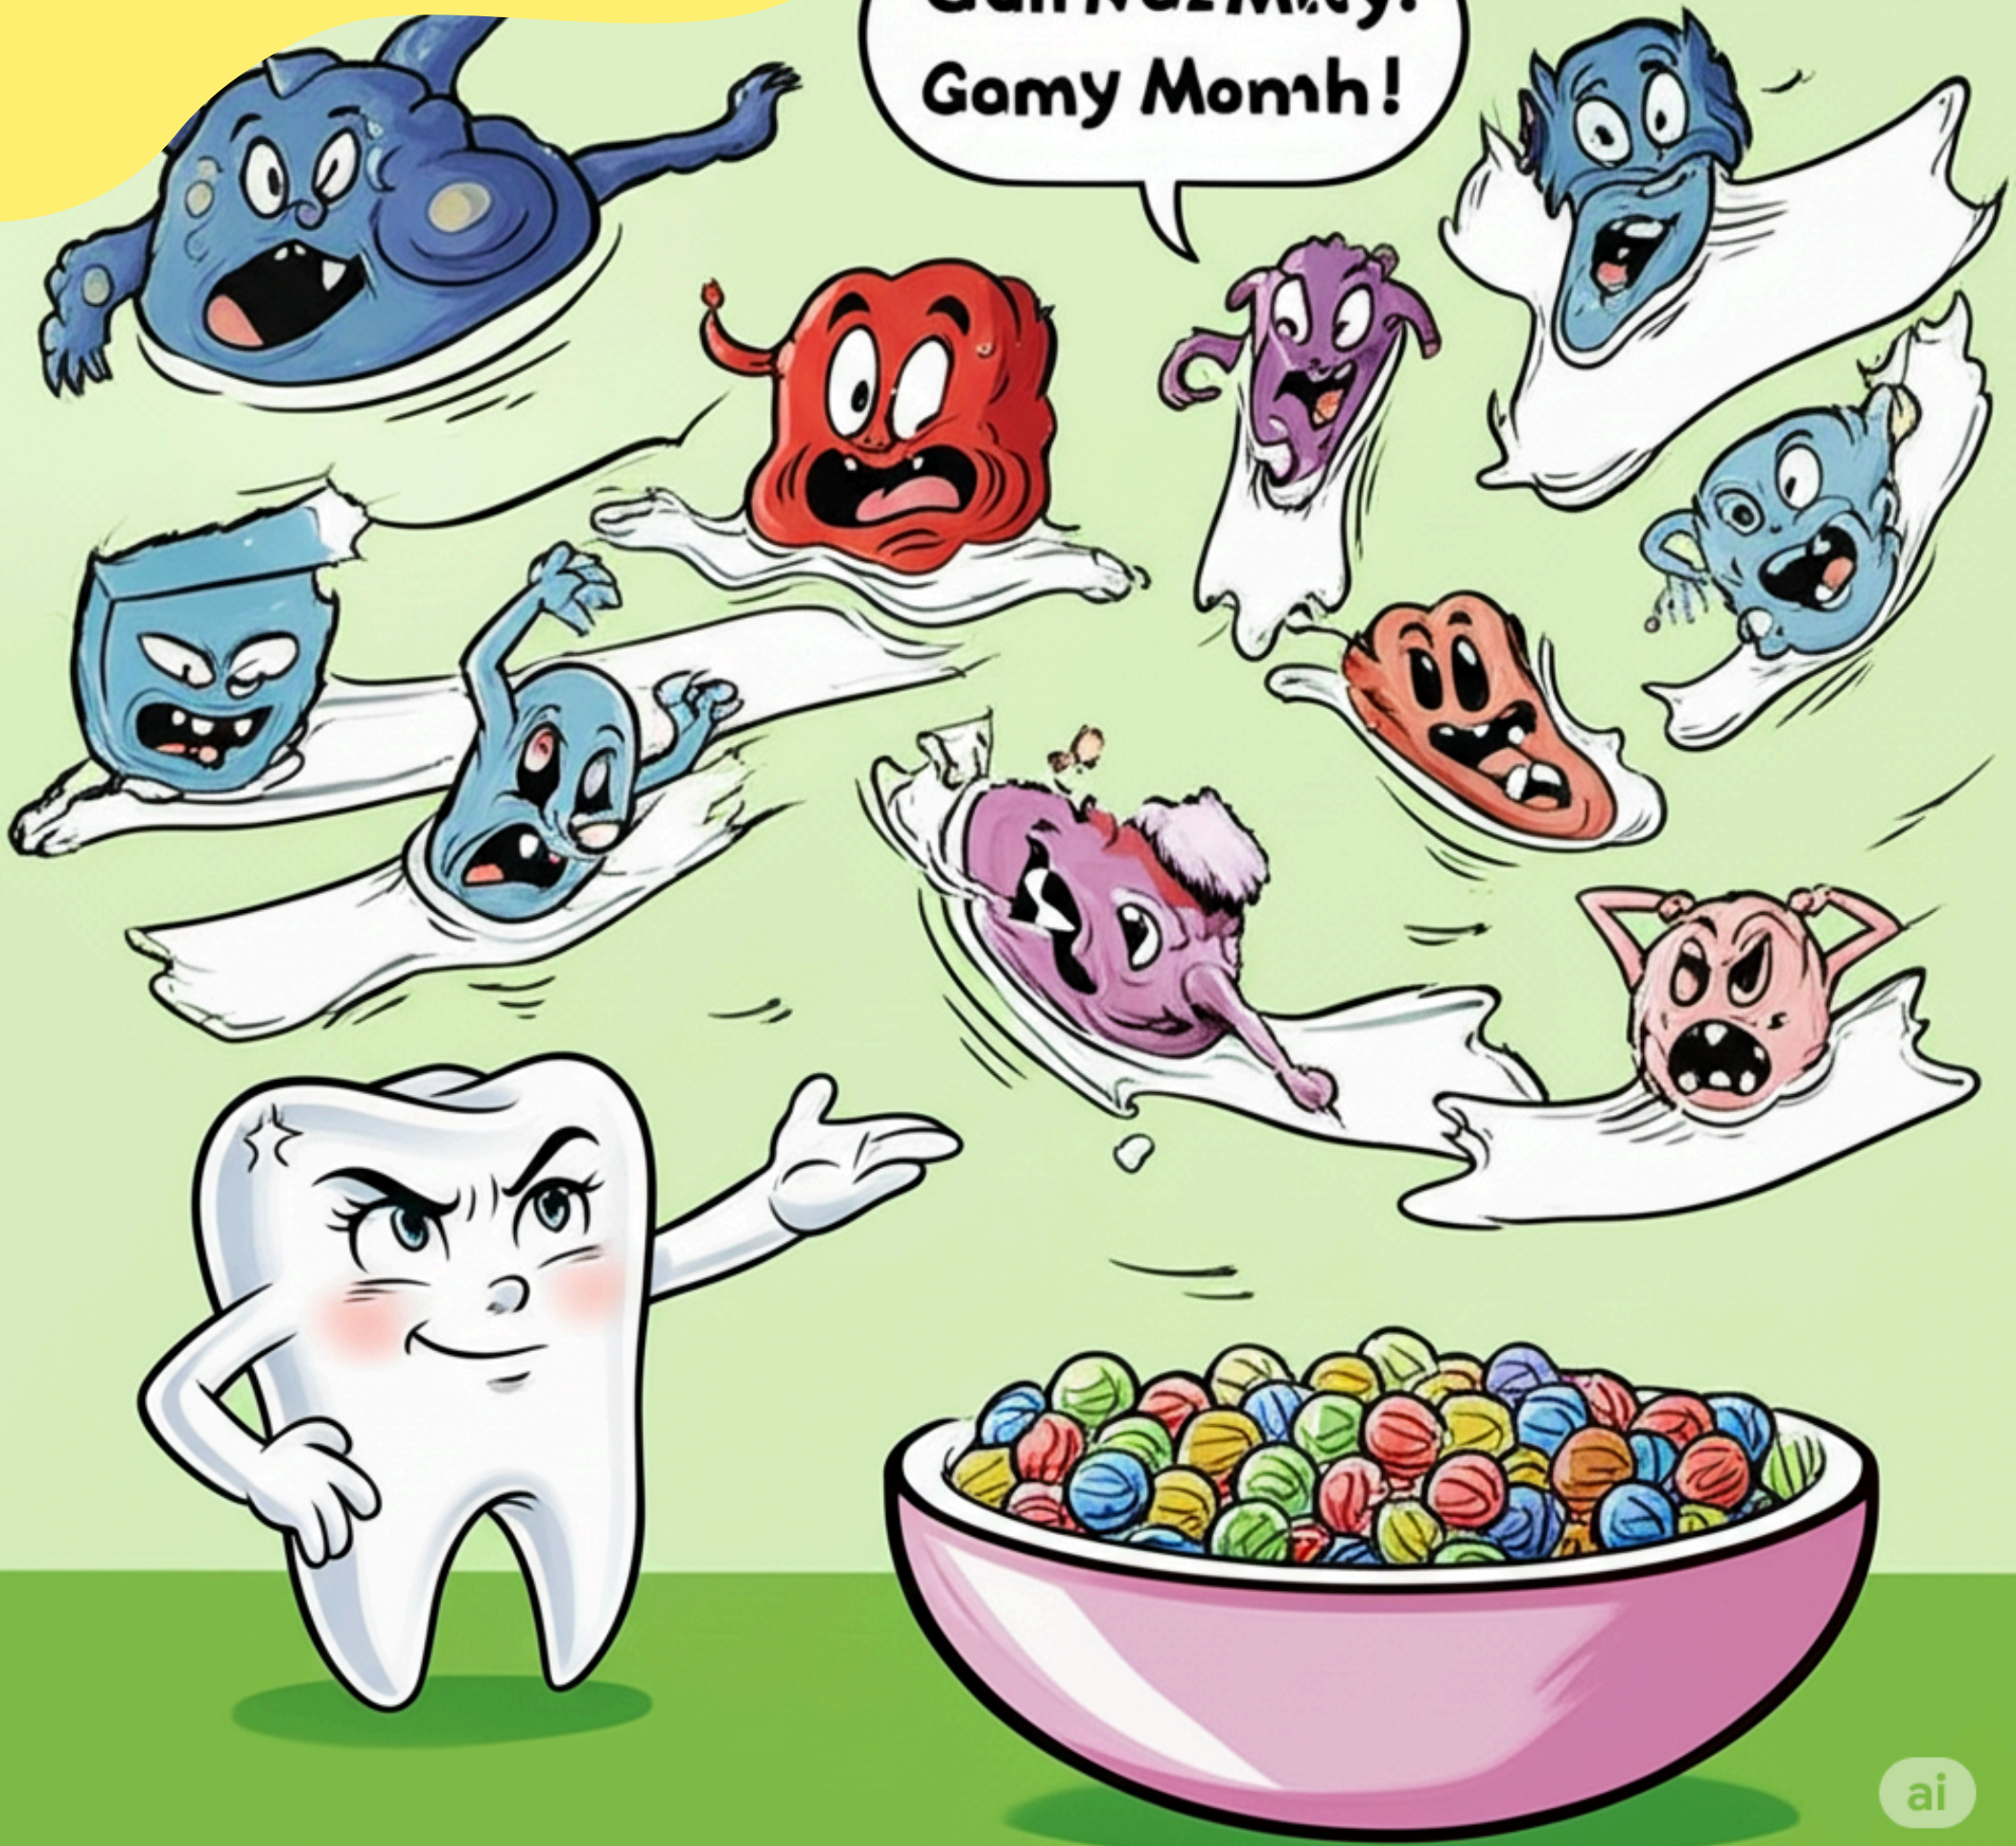

“Fizz! Sparkle! Swiiiiish!” The minty paste zoomed across the floor!

Tilly

Timmy the Toothpaste sprang into action, squeezing out a burst of icy peppermint!
